

# Emergency LED Lighting & Fire Detection

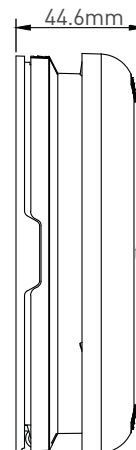

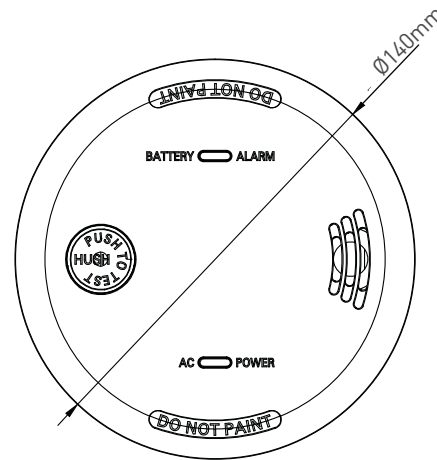

## Optical Smoke Alarm

### GL-P101

### Product Image

### Product Line Drawing

### Specification

Voltage	230V
Sensing Technology	Photoelectric
Back-Up Battery	1 x 9V
Alarm Sound Output	>85dB at 3 metres
Silence Time	approx. 8 minutes
Size	Ø140 x 44.6mm
Approvals	EN 14604:2005/AC:2008

### Features

- 9V battery backup
- High performance photoelectric sensor
- Interlinkable
- Test and silence button
- Removable dust cover to stop dust contamination
